## Practical approach

One of the greatest advantages of CHOICE storage units is that they offer a convenient and practical internal layout.

# Endless combinations

You can easily create your own unique design by combining different cabinets. Also, a good idea is to combine different types of textures: tapestry, melamine and natural veneer. Choose from a wide range of materials and colors to create desired combinations that will blend nicely into your office.

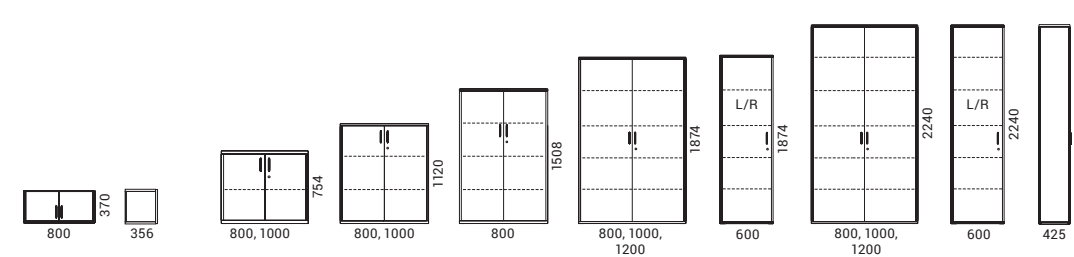

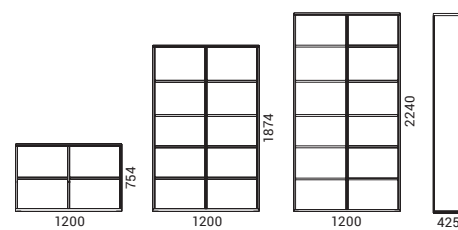

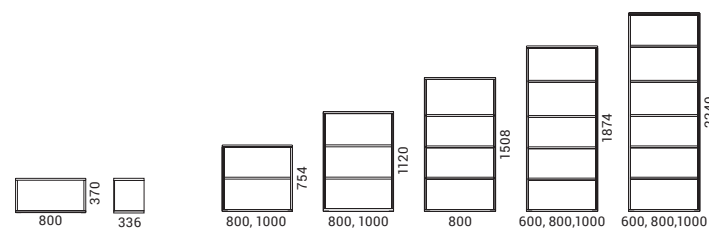

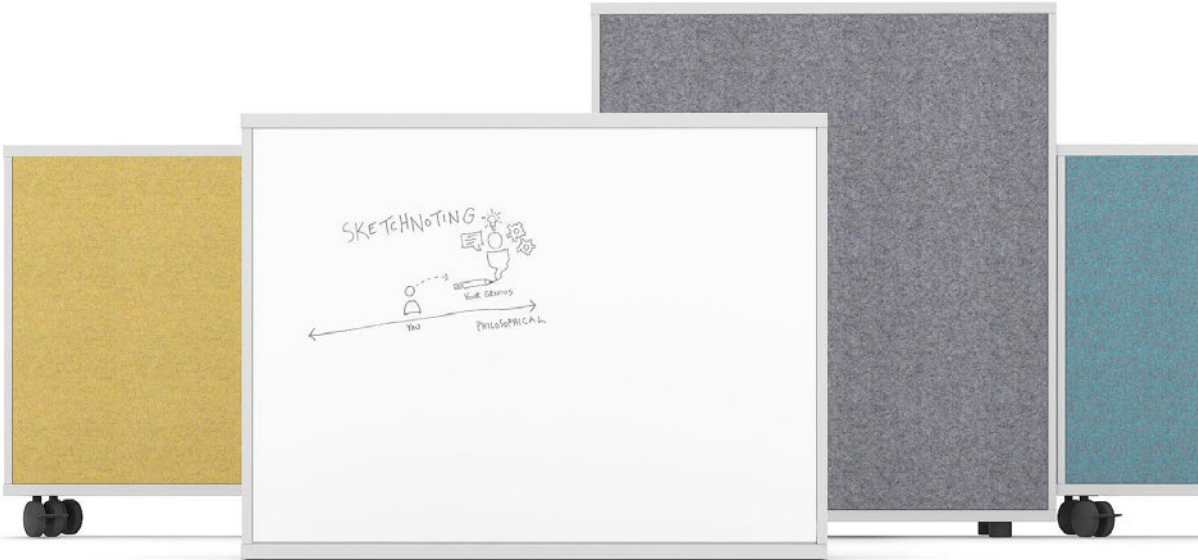

## Well-organized storage of office materials

A large selection of accessories allow you to arrange the inside of the cabinets based on your individual needs.

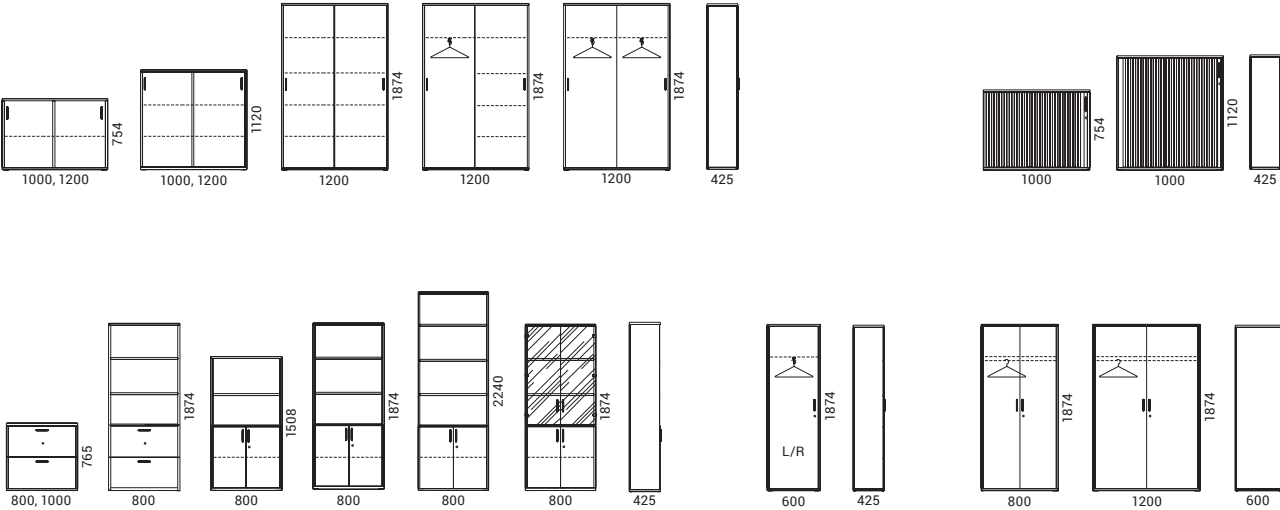

# Colourful details

An upholstered back of the cabinet adds colour to your office space and absorbs noise. If you choose a cabinet with a special back suitable for writing on it, you will have an additional space to capture your ideas.

## Minimalist style – unlimited possibilities

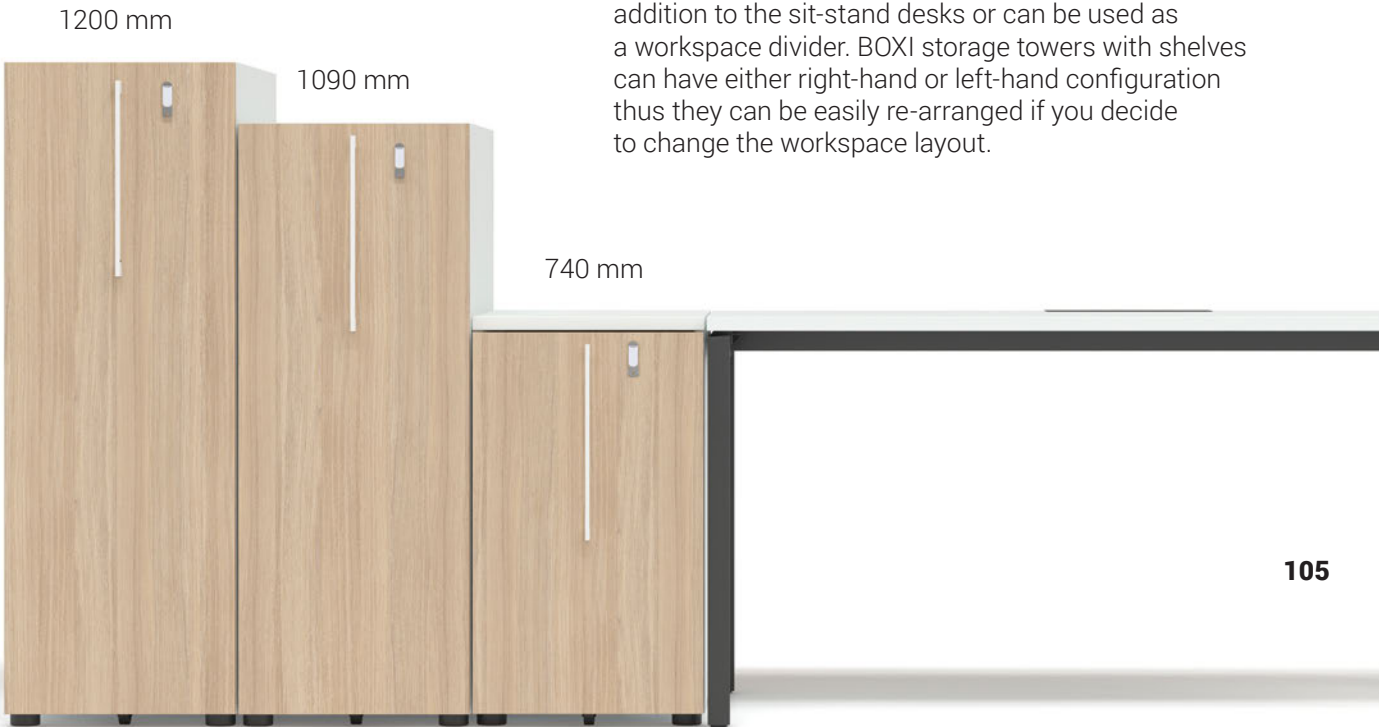

BOXI storage tower is a simple and universal solution designed to accommodate all office essentials for the daily needs in the office.

104

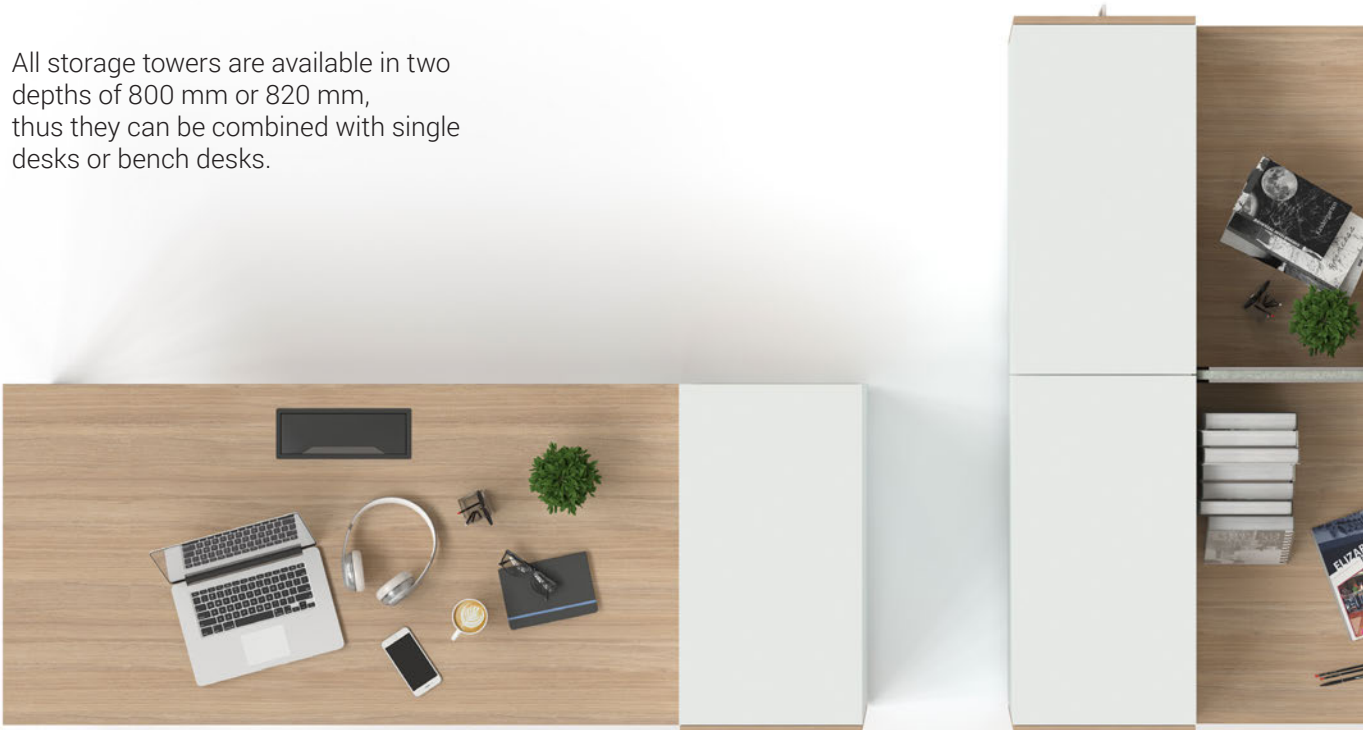

## Flexible arrangement of work spaces

Choose a preferred tower height: a 740 mm storage tower can serve as an extension to a fixed-height desk, whereas 1090 mm or 1200 mm options will be a great addition to the sit-stand desks or can be used as a workspace divider. BOXI storage towers with shelves can have either right-hand or left-hand configuration thus they can be easily re-arranged if you decide to change the workspace layout.

105

All storage towers are available in two depths of 800 mm or 820 mm, thus they can be combined with single desks or bench desks.

**TOWERS**

Make the most of all  
available options

Choose spacious shelves or universal file drawers, small shelves with an upholstery lining or small drawers for storing small items. BOXI storage towers with USB or plug sockets will allow you to charge your mobile devices.

Visual versatility

Mix and match various melamine covers or use a planter box to transform the BOXI storage towers into green islands with flourishing greenery which will be a great way for employees to rest their eyes during a break.
