IT Ispirato alle omonime cuccette del treno, Couchette è l'innovativo sistema modulare di imbottiti che sintetizza l'idea di una catena di ambienti uniti e isolati tra loro. I 38 elementi della collezione permettono grande libertà compositiva, fino a creare confortevoli stanze di diverse dimensioni. Pannelli imbottiti rimovibili possono essere posizionati in qualsiasi punto della seduta senza perdita di spazio, mentre gli accessori, come tavolini, connessioni elettriche-USB e ganci appendiabito, trasformano Couchette in spazi di lavoro temporanei estremamente silenziosi.

EN

Inspired by the homonymous train bunks, Couchette is the innovative modular system in upholstered furniture that summarizes the idea of a chain of united and isolated environments. The 38 elements allow great composition freedom, up to create comfortable rooms in different sizes. Removable padded panels can be positioned anywhere in the seat without loss of space, while accessories, such as tables, USB-electrical connections and coat hooks, turn Couchette into extremely quiet temporary workspaces.

FR

Inspiré des banquettes de trains, Couchette est un système modulaire innovant composé d'éléments rembourrés qui s'assemblent pour donner l'idée d'une chaîne dans l'espace. Les 38 éléments de la collection permettent de grandes libertés dans les aménagements, permettant ainsi de créer des espaces de différentes tailles et différentes formes. Des panneaux de séparations rembourrés amovibles peuvent être positionnés pour structurer les compositions sans pertes d'espaces, tandis que les accessoires, tels que tablettes, connexions électriques, patères, transforment les banquettes Couchette en espaces de travail temporaires à la fois confortables et silencieux.

DE

Couchette wurde von den gleichnamigen Zugkojen inspiriert. Es handelt sich um ein innovatives modulares System von Polstermöbeln, das unendlich erweitert und nach Belieben abgetrennt werden kann. Die 38 Elemente der Kollektion ermöglichen eine große Kompositionsfreiheit und schaffen komfortable Räume unterschiedlicher Größe. Abnehmbare gepolsterte Paneele können überall im Sitz ohne Platzverlust positioniert werden, während Zubehör wie Tische, USB-elektrische Anschlüsse und Kleiderhaken Couchette in extrem leise temporäre Arbeitsbereiche verwandeln.

IT Phar Lap è la *lounge chair* pensata per portare comfort e protezione all'interno degli spazi collettivi, grazie a una struttura slanciata e ispirata al design degli anni Settanta. Lo schienale sagomato si allunga verso l'alto per consentire una postura distinta e, al contempo, schermare la seduta dall'ambiente circostante.
