An easy way to stay
active at work!

ACTIVE desking system can be best described
in two words: functionality and quality.

18

* - availabe only in 800 width

Easy to customize

The desk height can be adjusted by pressing
a selected button: a memory position button
with a display, or up and down controls.

19

Feet design

Choose from three types of metal feet.
All the designs look minimalist, light
and with different elegant accents.

20

ACTIVE

Anti-collision feature

Both the 2- level and 3-level feet sensor will automatically stop the desk's movement if it senses an obstacle in its path. The anti-collision feature reduces the likelihood of damage should the desk collide with a hard object.

ACTIVE

Makes you move
forward!

The system is available as single desks
or bench desks designed for a flexible
arrangement of workstations as well as
for individual or group work.

Acoustics and concentration

A fixed-height acoustic desk screen MODUS designed for bench desks will ensure acoustic comfort and help your employees maintain concentration. Furthermore, the double-sided acoustic desk screens allow you to create colourful combinations.

Leg design

MOTION desks offer a choice of two different leg designs. H-shaped metal legs provide a more generous space for movement and storage. Those who desire more privacy can choose a desk with panel legs which visually cover up the space under the desk and add an aesthetic look to it.

28

Stability

Two-desk benches are an excellent solution
for combining workstations. The shared leg
of the sit-stand desks provide maximum
stability of the joined desks.

Modern classic

Even the name itself derived from the Latin word meaning something “new”. If you change the desktop texture or leg colour, you will be able to create a whole new desk.

U

Regular U-shaped legs is a universal design solution.

A

A-shaped legs are sure to add subtle look and elegance to NOVA A desks.

O

O-shape desk legs are unique in that you can additionally order a special divider designed for two-seat and four-seat desks.

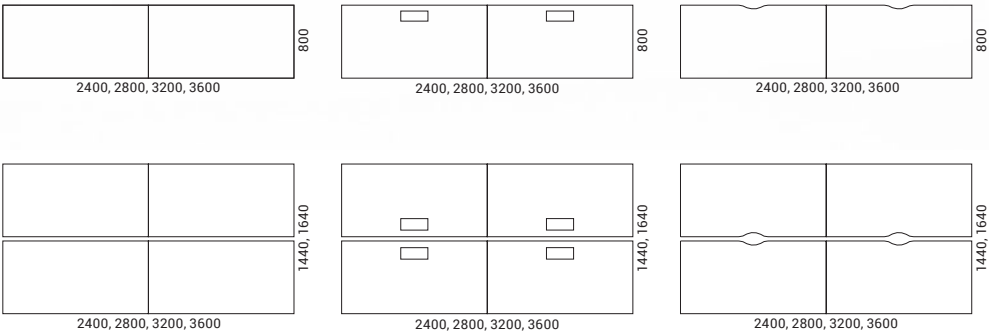

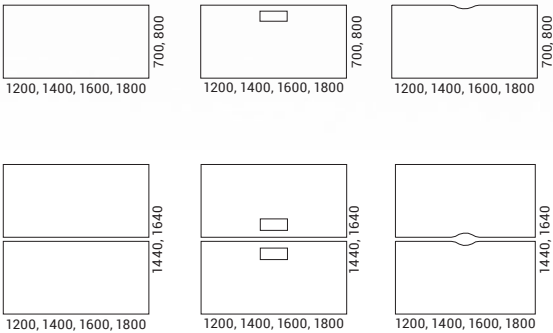

H

Height adjustable feet allow you to easily change the desk height from 620 mm to 850 mm.

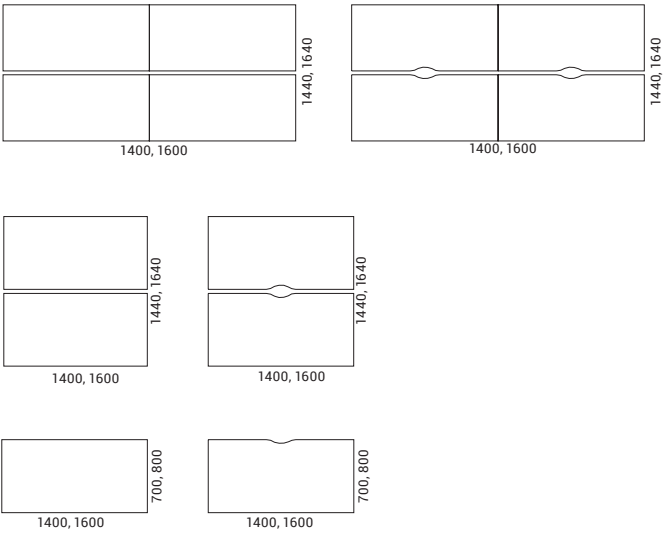

You can adapt bench desks consisting of two desks to your office dynamics by using supplementary partitions which allow you to easily increase the number of workplace.

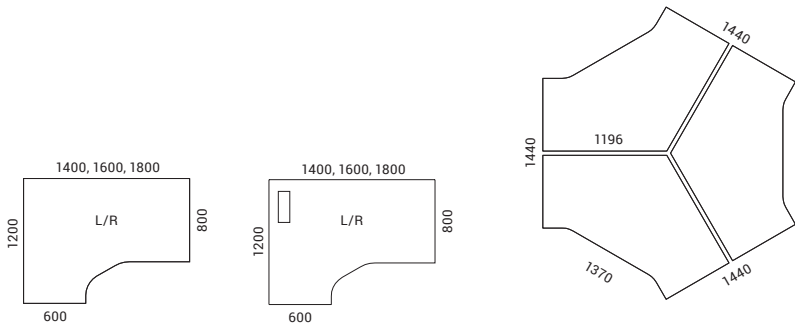

Sliding desktop

Choose functional NOVA U Slide desks with a push/pull desktop. The arrangement of the cable duct, the access to the power unit and cable management will be much more convenient. These desks are based on a very simple principle: to access the cable duct, pull the desktop toward yourself; if you want to conceal the cables, then simply push the desktop slightly.

Clover-shaped teamwork desk

Bench desk with cut-outs for wire management has a clover-like shape. Ideal for setting up a work-space for a team of three people.

Furniture that appears
as if floating in thin air

An exceptional feature of AIR desks is thin metal legs
that convey a sense of lightness and at the same time
ensure their durability and stability.

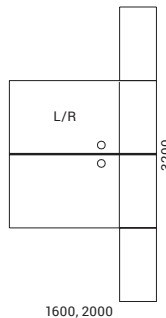

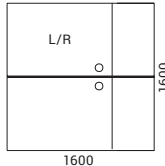

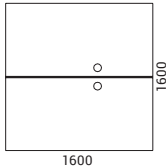

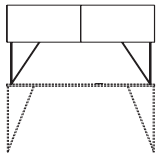

48

To make even more efficient use of space,
choose a cabinet suspended at hand's
reach above the desk for storing personal
items and office supplies.

49

Minimalist AIR designs, thought
through solutions, combinations
of different textures and colours
– all this provides more creative
freedom for architects who de-
sign office spaces.

meeting tables

The Italian design of the tables is based on the harmony of straight and curved lines.

Quality is in the details

The rectangular tables come with soft closing grommet, beautifully framed in metal and concealing the box for wire management. This functional detail becomes invaluable in long meetings.

The elegant three-part curved steel legs are crafted using difficult technology and are the ultimate distinctive feature of the system. The solid thick tabletop increases the sturdiness and the visual impact of the tables.

MOVE

Design by Gediminas Juška

“

Move! is a slogan of the modern man that represents the victory of mobility against stagnation, sloth and succumbing to negativity. A true modern leader is driven and open to innovation, a cosmopolitan dictating healthy lifestyle and a teacher who shapes his or her environment with dignity.”

Gediminas Juška

Your best MOVE!

It combines the best in ergonomics and cutting-edge technology and is designed for modern active leaders. The desk's height can be adjusted between 735 mm and 1300 mm, this allows you to stay on the move and be active even at your desk.
